ARTSWorcester Members CRITIQUE! evening

Come and get feedback about your art from
fellow ARTSWorcester members.

Here are the details:

When: Wednesday, May 25, 2011 from 7:00-9:00 p.m.

Where: ARTSWorcester's Aurora Gallery, 660 Main Street,
Worcester, MA.

Why: To receive feedback in a supportive, encouraging
environment to help you move forward with
your work.

How: Members are invited to bring one piece of work in
progress, or recently completed visual artwork to be
presented for feedback. This is a peer critique night
amongst the members who register for this event. The
group will be moderated to insure everyone gets an
equal chance to present their work. When presenting
the work, the artist should be prepared to offer
information on the inspiration, technical process,
intention of the piece, and the area in which they are
looking for feedback. The group will be asked to offer
feedback, with a focus on constructive criticism.

This event is free for members; current ARTSWorcester
membership is required for participation. All
categories of visual art can be presented; artists are
responsible for transporting works to and from the
gallery. An easel and pedestal will be available to display
the artwork. Refreshments will be served.

Sign-Up: To register, call (508)755.5142 by May 23, 2011
